ROBERT —

YOUR QUESTION —

THE \$507,711.79 WAS
THE TIMBER SALE VALUE IN
2007 FOR TAYLOR CO ONLY!!
THAT'S EQUIVALENT TO \$28.86
PER ACRE FOR THE TOTAL COUNTY
FOREST ACREAGE OF 17,592 AC.
PRETTY GOOD IN LIEU OF TAX RETURN!

SEE ATTACHED SHEET. THE
TOTAL CO. FORESTS INCOME IN 2007
WAS \$27,227,721.92 — FOR LAND
YOU COULD NOT GIVE AWAY/LITERALLY
IN THE 1930's: ONEIDA IN 1932 WOULD
GIVE YOU — FOR FREE — 80 AC PLUS
\$100 IF YOU WOULD CLEAR ^{10 AC} A FARM
THE LAND FOR TWO YEARS.

DID YOU WANT THE COPY OF THE
WRITE-UP RETURNED TO YOU?? OR, WAS
IT A COPY FOR ME? IF YOU WANT IT
RETURNED, LET ME KNOW.

A proud Amvets Supporter

WILT —
